4TH INTERNATIONAL WORKSHOP ON DETONATION/DETONATION ENGINE

◆ Supported by Gas-Detonation Section, Japan Explosives Society ◆

September 6-7, 2012

Sagamihara Campus, Aoyama Gakuin University

We are glad to announce the Fourth International Workshop on Detonation/Detonation Engine (4th IWDDE), which will be held at Sagamihara Campus, Aoyama Gakuin University.

The first IWDDE was held with nine topics on April 28, 2008 and the last one was on November 19, 2011 at the same place. This time we are very much welcome you to attend this cozy and interesting two-day workshop.
